

# DERMATOLOGY WEBINAR

## DATE & TIME

December 11th 2019—6.30pm

## TARGET AUDIENCE

GPs, nurses working in  
primary care and pharmacists

## COST

Free of charge

After the success of our first webinar, The Scottish Dermatological Society and CPD Connect collaborate to bring you the 2nd interactive webinar in the series of common dermatology issues.

This webinar will feature the following topics:

- Urticaria
- Rosacea
- Vulval Lichen Sclerosus (LS)
- Benign Skin Lesions

There will also be time for questions with an expert during the webinar.
